- Quality and value drive the Indaba brand.
- We work closely with conscientious farmers in prime appellations who have perfected the art of grape growing over generations, and strive to continuously improve critical conservation practices.
- Our celebrated winemaker, Bruwer Raats, and his team identify the very best vineyards blocks, ensuring the most premium grapes are selected for Indaba.
- The look and spirit of Indaba reflects both South Africa's position as a leader in sustainable production and the influence of the Cape Floral Kingdom.
- Indaba Mosaic is a Bordeaux blend representative of the best grapes coming together. 59% Cabernet Sauvignon, 38% Merlot, 1% Cabernet Franc, 1% Petit Verdot, 1% Malbec
- A commitment to social responsibility is a key part of the Indaba philosophy. A portion of the brand's global sales is allocated to the Indaba Education Fund, a fully accredited 501(c)(3), which provides early childhood Montessori teacher training, learning materials, and educational infrastructure to young, at-risk children living in the South African Winelands.
